POSITION NUMBER: 4000-0000-148
JOB TITLE: MIDWIFE
STATUS: 4 - TEMPORARY PART TIME
SHIFT: DAY
IMMEDIATE SUPERVISOR: DIRECTOR OF COMMUNITY SERVICES
ADMINISTRATIVE UNIT: 59900 - MID-WIFE PRACTICE
HOME PORT: KUUIJUAQ
DIRECTION: COMMUNITY SERVICES
UNION: RSFQ - SAGES-FEMMES
STARTING DATE: AS SOON AS POSSIBLE

FUNCTIONS:

The Ungava Tulattavik Health Center (UTHC) maternity provides midwifery services and professional support to nurses in the seven communities of Ungava Bay. The majority of our clientele is Inuit and the majority of women will give birth in Kuujuaq with the midwifery team.

The team consists of the equivalent of 4 full-time MW with a rich experience of maternity care in remote areas. We work in interdisciplinary with a team of nurses, doctors, student midwives and social workers to provide care to women who are low-risk and intermediate-risk pregnancies. We are part of the emergency evacuation team for premature deliveries or other obstetric or neonatal emergencies. Training Inuit midwives is at the core of the Kuujuaq Maternity mission.

SPECIFIC FUNCTIONS:

- Ensures follow-up on pregnancies, deliveries and immediate postpartum care for the mother and child;
- Consult the Doctors according to the protocols put in place;
- Working in partnership with village nursing and midwifery teams villages;
- Work in partnership with village nursing and midwifery teams;
- Engage and contribute to the training of local student midwives.

SPECIFIC REQUIREMENTS:

- To be a member of the Order of Midwives of Quebec (O.S.F.Q.);
- Up-to-date Obstetric Emergency Certification (ESW, ALARM);
- Up-to-date Certification in Advanced Neonatal Resuscitation, including intubation;
- Sense of responsibility, autonomy, maturity and diligence;
- Openness, intercultural teaching skills and listening skills are essential;
- Capacity to adapt to a different work environment; and work experience in the Nordic region;
- Experience working in remote areas is an asset;
- Facility and efficiency to work in interdisciplinary/multicultural team;
- Excellent command of the English language, fluency in Inuktitut and/or French an asset;
- Be available to travel to the Ungava Bay communities;
- Be available to be on call.

HOURLY SALARY: Min. 43.96\$ - Max. : 62.40\$
PREMIUM(S) (if applicable)*: High cost living: 74.17\$
Weekly amount

*Nordic premiums apply only when the home port is in one of the northern villages; the amounts of Nordic premiums indicated are "without dependents".

Send your application by email : emploi.cstu@ssss.gouv.qc.ca

Note 1 : All positions may be subject to a selection process, including tests and interviews.

Note 2 : Candidates who are beneficiaries of the James Bay and Northern Quebec Agreement will be given priority when qualifications are equal.

Note 3 : Any person recruited in Quebec more than 50 kilometres from the locality in which she is called upon to perform her duties, will be granted annual trips and lodging unit as per status. Shared lodging or transit if necessary.
